

THE 11TH
SICKLE CELL IN FOCUS
OCTOBER 26-27, 2017 **CONFERENCE**

LOCATION: Jamaica Pegasus Hotel
81 Knutsford Boulevard
Kingston 5, Jamaica West Indies

ABOUT THE CONFERENCE: SCiF is a two-day, intensive, educational update on sickle cell disease. This year's conference will focus on the latest clinical trials, the science and mechanisms for new therapeutic targets, and curative therapies. At the end of each day, there will also be two debates which will focus on topical issues for which there is no clear answer.

This two-day intensive educational conference is geared towards clinicians, academics, and other healthcare professionals involved in sickle cell disease around the world.

The 11th annual SCiF conference will be co-hosted by the **National Heart, Lung, and Blood Institute** and **The University of West Indies**.
